A black and white photograph of a red vintage car, possibly a Fiat 500, parked in a modern, multi-level parking garage. The car is positioned in the lower half of the frame, facing towards the left. The background shows the concrete pillars and steel beams of the garage's interior, with other parking levels visible through the openings between the columns.

Enjoy parking

**Your unused stars stay with you.
FOREVER!**

No stars left?

BUT I am a cyclist!
